

## Precautionary Protest Action in Syunig Region

29.01.2018 16:38

"We, the advocates of Syunig region also join our colleagues' announcement and demand the elimination of legal regulation envisioning imposition of fine on the advocates from the "Judicial Code of RA" draft. We will also organize a one-day protest action by refusing to realize any defense or representation in the state bodies of Syunig region as a precautionary step.

The beneficiaries of our fight are our trustees.

The protest will take place 30 January, 2018".

Liana Grigoryan,

Representative of the advocates of Syunig region
